

## Hold Fast

### Chorus 1

Hold fast help is on the way  
Hold fast He's come to save the day  
What I've learned in my life  
One thing greater than my strife  
Is His grasp so hold fast

### Verse 1

To everyone who's hurting  
To those who've had enough  
To all the undeserving  
That should cover all of us  
Please do not let go  
I promise there is hope

### Verse 2

Will this season ever pass  
Can we stop this ride  
Will we see the sun at last  
Or could this be our lot in life  
Please do not let go  
I promise you there's hope

### Misc 1

You may think you're all alone  
And there's no way that anyone could know  
What you're going through  
But if you only hear one thing  
Just understand that we are all the same  
Searching for the truth  
The truth of what we're soon to face  
Unless someone comes to take our place  
Is there anyone all we want is to be free  
Free from our captivity Lord  
Here He comes
