

All I Need

Key - C

Words and Music by

Bethany Dillon, Ed Cash and Dave Barnes

Verse 1

When the day is done and there's no one else a-round
While I'm lying here in bed You're in my heart
You're in my head You're all I need You're all I need
There (are) a million voic-es calling out my name
But You're the one I want to hear
So make the others disap-pear
You're all I need You're all I need

Chorus

You're all I need when I'm sur-rounded
You are all I need if I'm by myself
You fill me when I'm empty there is nothing else
You're all I need
C F2 (To Bridge)

Verse 2

When the morning comes and Your mercy is renewed
There's a fire in my bones I'm not afraid to go alone
You're all I need You're all I need
The sun on my face I hear You whisper loud
You're still the God that opens seas
Ev'ry flower even me
You're all I need You're all I need
