

Heavens Gates (D)

Robin Mark & Paul Baloche

You exchanged the Joy of Heaven

G A

For the suffering of the cross

D G (Dsus) D

And the presence of Your Father

D/Em7 Asus A

For the friendship of the Lost

A Bm F#m A D

Now we know there was no other way

D Bm F#m A

To release this world from sin

Bm F#m A D

You endured the cross, despised the shame

Opened Heavens gates

Opened Heavens gates

So that we might enter in

You took on the form of servant

All Your Godly glory veiled

For this broken world submitted

To the cross, the thorns, the nails

You opened the Gates of Heaven

D/Em

You opened the Gates of Heaven

D/Em Asus D

And now we're free to enter in
